Important Dates

**February 23** – Application for Association Membership or Non-Member Endorsement from VFML Club due.

**March 1** – Jersey Orders due to Skyline for delivery prior to the start of the VMFL season (using the supplied order form)

**April 3** – VMFL team registration due

**April 14** – VMFL spring flag payment due (via cheque to the VMFL Treasurer)

**April 15** – Spring Flag Referee Clinic – Time and location TBA

**April 22** – Jersey Orders due to Skyline for delivery prior to the BCCFA Championship in Kelowna (using the supplied order form)

**May 15** – BCCFA Provincial Championship Fee due (via BCCFA website online)

**June 9, 10 & 11** – BCCFA Provincial Championship in Kelowna

Dates to be Finalized

**Coaches Meeting** – this is going to be mandatory for all Spring Flag Coaches, Club Presidents and Spring Flag Coordinators

**Coaches Clinic** – this will be a clinic for new and newer coaches to give some suggestions for running practices and games.

**Referee Clinics** – we will be booking two other referee clinics, likely at UBC and SFU. Dates and times to be confirmed once these have been set up.

**Commissioner Training** – this will be mandatory for two people from each club for the 2017 Spring Flag season. This will likely run in conjunction with one of the Referee Clinics.
Frequently Asked Questions

Q: Does our club need to order our jerseys through Skyline?
A: There are two answers to this question:
   If your club/team is going to Kelowna to participate in the BCCFA Provincial Championships then
   the answer is yes, you must order jerseys through Skyline. Teams or players without the sponsored
   jerseys will not be allowed to play in the Championships
   If your club/team is NOT going to Kelowna and is only going to play in the VMFL 6 Regular
   Season games you are not required to have Skyline supplied jerseys. HOWEVER, your team must have a
   set of “home” and “away” jerseys. The only requirement of a team jersey is that they match. You need
   to have two jerseys (ie red and black) so that you can switch if you’re playing against a team that has the
   same coloured jersey.

Q: When will the schedule for the VMFL regular season games be sent out?
A: The schedule for Week 1 (April 23) will be posted by April 14. All subsequent weeks will be posted by
   the Wednesday morning after the jamboree.
   IMPORTANT – If you know your team is not going to be able to participate in the next
   jamboree, please email both Kevin and Kari by the Monday evening before the jamboree. This
   will allow time to adjust the schedule. If we are not notified and your team is built into the
   schedule, the games you do not attend will count as losses.

Q: How are the schedules built and why would I play the same team more than once in the season?
A: The schedule for Week 1 is based on a randomized pool and because of that there are often
   mismatched teams and lopsided results. For Weeks 2-6 the results are calculated and teams with similar
   records are put into a pool to play. This is done to make sure kids have a good opportunity to experience
   some successes. You may have a similar record as 3 or 4 other teams and in that case, you will play them
   on more than one week.

Q: Do our teams have to participate in the BCCFA Provincial Championship in Kelowna?
A: No, teams do not have to register to participate in the Championship, although many of the players
   and families look forward to the event each year.

Q: Are girls allowed to move out of their age division.
A: Yes, girls are allowed to move down one (1) age division if they are playing on a mixed team.
A: Yes, an all girls team can move down up to two age divisions and the highest age grouping they will be
   placed in is U14. When Week 1 results are reviewed, an all girls team may be re-assigned to a new age
   group at the discretion of the VMFL Executive.

Q: What certifications do Spring Flag coaches need to have for the 2017 Season:
A: All coaches must have an NCCP Number and have successfully completed the Making Ethical
   Decisions on-line course.
